**ARIZONA ATTORNEY GENERAL**

Mrs. Ella Lacy Blake, R.N.,  
Secretary-Treasurer  
Arizona State Board of Nurse Examiners  
State House  
Phoenix, Arizona

Dear Madam:

We have your letter of September 24, relative to the question of whether or not a graduate nurse, registered in another state may be granted a license in this State without examination.

It is our opinion under the provisions of 67-1307, A.C.A. 1939, that a graduate nurse, who has been duly registered in another state may be granted a license by the Arizona State Board of Nurse Examiners, if the applicant has been registered under the law of such other state, and the requirements for registration for such state for securing a license were at the time the license was issued equal to the requirements now imposed by that State for the registration of nurses.

Yours very truly,

JOE CONWAY  
Attorney General

EDWARD P. CLINE  
Assistant Attorney General
